

Pole Shelving System

- This versatile Display System is equally suited for brand retail stores (Clothing, Apparels, Department) as well as walk in wardrobes at home
- It's highly flexible design enables to change the combination / layout of display without actually removing the pole systems installed
- Multiple Adaptor brackets can be chosen for Hangers, Shelves, Cabinets, Tilting Shelves, etc as per your desired application
- Aluminium sections and die cast parts ensures strength and stability
- Flexibility to mount the pole from floor to wall / ceiling as per the design requirement
